The KCA Scholarship fund was established to support young adult cancer survivors and to assist them in pursuing their academic and professional goals. HOW AWARDS ARE RECEIVED:

Scholarship awards are given on an annual basis, except in instances where a four year scholarship is awarded. If you are awarded a 4 year scholarship, criteria will be provided to you outlining the standards for maintaining the scholarship. Applications will be reviewed by an independent committee of volunteers, who will recommend awards to the Kids Cancer Alliance Board of Directors. Multiple applicants may receive awards, depending on the strength of the applicants and the funds available. The scholarship is not automatically renewed, although applicants may re-apply consecutive year if they still meet the criteria. Applicants that are re-applying must maintain a GPA of 2.5. If your GPA falls outside of this range, please share your circumstances with the selection committee on an additional page.

ADDITIONAL INFORMATION:

Scholarship payments are sent directly to the educational institutions on your behalf. **The full amount is sent at the beginning of the school year.** You must be accepted by a school by May 1st to receive the scholarship.

If you are awarded a scholarship, we will also ask you to complete a brief progress report in December and in June. The scholarship committee appreciates your hard work and wants to celebrate your progress.
