

OUR MISSION

For over four decades, Kids Cancer Alliance has remained a grassroots organization committed to supporting local families battling childhood cancer. Our mission is to enhance the quality of life for children with cancer and their families through recreational and support programs. Since 1982, we've assisted thousands of families through our in-hospital programs, immersive camps and retreats, and financial aid- all provided at no cost.

Your support enables us to sustain our mission of aiding families in our community. Confronting childhood cancer is one of the toughest challenges families endure. By providing families in treatment with a respite from hospital meals, a joyful week at camp, or the prospect of a brighter tomorrow through our scholarship program, we can collectively reclaim stolen moments of childhood for these deserving children in need.

OUR IMPACT

In 2023, Kids Cancer Alliance proudly supported eighty-six children facing or having battled cancer, along with their siblings, by creating memorable camp experiences. Our week-long camps not only offer medical care for children in treatment but also focus on the pure joy of camp traditions.

Additionally, we spread love and support by delivering over 3,000 meals and treats to families in treatment, organized a Family Retreat at Great Wolf Lodge for fifty-eight families, and arranged Family Day events at the Louisville Bats and Kentucky Kingdom for 358 children, siblings, and parents.

Recognizing the emotional and financial toll of childhood cancer, we're honored to have covered seventeen bereavements, provided crucial financial assistance to fifty-three families via funding for bills, gas, or food, and offered twenty higher education scholarships to childhood cancer survivors and their siblings.

At Kids Cancer Alliance, we're committed to finding even more ways to support and uplift families faced with childhood cancer in the future. Together, we can continue making a positive difference!

OTHER WAYS TO HELP

All Kids Cancer Alliance programs are offered 100% free of charge to local families facing a pediatric cancer diagnosis. We are fully funded by community supporters. You can help local families by:

- Becoming a monthly Alliance Ally Donor
- Volunteering for our Programs and Events
- Joining a Committee
- Hosting a Lunch and Learn to educate our community about our mission
- Donating stock or creating an endowment
